6/21, 5:00-6:30pm

Under-14 Boys
6/19, 6:30-8:00pm
6/20, 6:30-8:00pm

Thank you for your interest in the East Lansing Soccer Club at the Capital Area Soccer League (CASL) level. The CASL League is a community-based program designed for those children looking for a more competitive atmosphere still with in their community boundaries. You must either be a resident of East Lansing or attend an East Lansing Public School to be eligible to play on an East Lansing team. Please see age eligibility chart on the reverse side. **Additional registration fees apply for CASL players, and ALL fees for the entire 2012-2013 season will be collected before the start of the 2012-2013 season.**

All tryouts will take place at the East Lansing Soccer Complex rain or shine. In case if dangerous weather, there will be a rescheduled date that will be announced. Please arrive at least 15-30 minutes prior to the tryout time for check in. Please make sure your child is wearing shin guards and has a ball and water bottle.

A child may not turn the age of the division they are trying out for before August 1st of 2012; e.g., if trying out for a U-12 team you cannot turn 12 before August 1st. A child may play up one age division year if their skills warrant it. See age chart on the reverse of this page.

Players must have an East Lansing Soccer Club Registration form on file with the Club and have a completed parental/player consent form in order to participate in tryouts.
